Jesus in Indian Vedhas?

இந்திய வேதங்களில் இயேசுவா?

(only available in Tamil)

***திரு. மு. தெய்வநாயகம், சாது செல்லப்பா போன்றோரின்
போதனைகளை இந்நூல் வேதபூர்வமாக ஆராய்கிறது.***

The book is a critique of the teachings of Dr. M. Deivanayagam and Sadhu Sellapa. Dr. M. Deivanayagam promotes a theory that Dravidian Religion was a development from Christianity established by the Apostle Thomas in Southern India while Sadhu Chellappa teaches that the revelation of God is not given exclusively through the Bible and that Jesus can be known through the Indian Vedhas. This, the writer of "Jesus in Indian Vedhas?" refutes and shows the exclusive nature of the Bible through which alone man can know God by His Spirit.
